AVL EXPO 2023

AVL Expo is the #1 entertainment technology event in Arizona for exhibitors looking to showcase their audio, video, and lighting gear to a diverse and engaged audience. The show offers exhibitors the opportunity to showcase their products and services to a highly targeted audience of industry professionals, including audio engineers, lighting designers, venue managers, and technical directors, among others. Exhibitors can expect to benefit from the chance to connect with potential customers, increase brand awareness, and generate new leads.

In addition to providing an excellent networking opportunity, AVL Expo also provides a platform for exhibitors to gain valuable insights into industry trends and new technology – from the people who actually use it. Unlike many other events of this type, AVL Expo is 100% free of charge and open to the public. Over 80% of confirmed attendees are invited through Clearwing's database of prospects and current customers. The remaining 20% find AVL Expo through advertising, social media, and industry connections.

600+ ATTENDEES

80+ EXHIBITORS

LIVE AUDIO & LIGHTING DEMO EVENTS

THE ATTENDEES

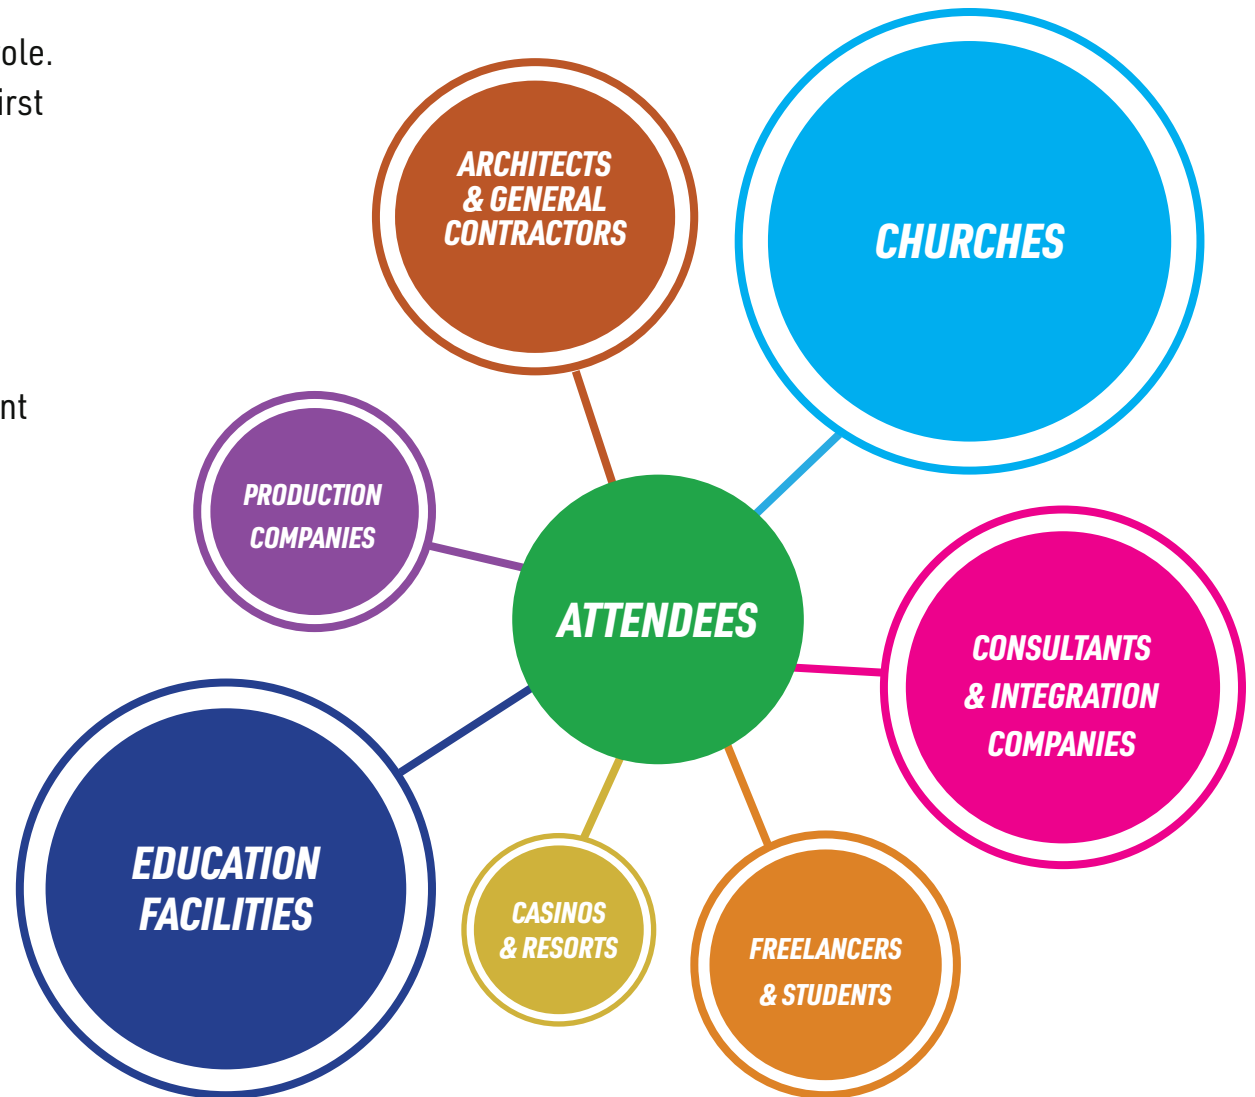

AVL Expo is open to all, regardless of size of organization, market segment, industry, or job role. We encourage exhibitors to take an education-first approach when it comes to products.

An attendee comes to AVL Expo to get hands-on with the latest entertainment technology and solutions, to network with like-minded industry professionals, and explore potential procurement opportunities with Clearwing.

While we find our average attendee count to be less than “national” shows at around 600 attendees annually, we have adapted a quality over quantity method to how AVL Expo is produced.

HELPFUL TIPS

HOTEL

- Take advantage of our room block: <https://www.avlexpo.com/where-to-stay>

GETTING TO THE COMPLEX

- Rideshare (Uber/Lyft) is an easy way to get from the airport to the convention hall / hotel.
- The hotel and convention hall are (seriously) only steps away from one another.
- The hotel has a bar with a small restaurant within.
- There are many restaurants within a 5 minute walk of the hotel.

LOAD IN

- All gear that was shipped to Clearwing will be delivered directly to your booth.
- Keep aisles and fire routes clean and clear.
- Dead storage is behind the drape along the outside walls.

BOOTHS / SHOW DAY

- No overhead rigging is allowed within a booth space. That said, design your booth to be eye-catching and appealing. Keep it clean and walkable. Have gear ready and available to be interacted with by attendees.
- Do not project your logo within the convention hall outside of your booth space. The walls and balcony are reserved for sponsorship advertising.
- Be approachable and engaging – don't sit behind your phone or computer and wander outside of your booth, leaving it unattended. Clearwing staff is more than happy to watch your booth if you need to step away – just ask!
- Our attendees love to ask questions and learn! Make eye contact with attendees, greet them by name.
- The show office is available if you need to take a break. It is private to event staff and exhibitors.

HELPFUL TIPS

EXPO HALL LOAD OUT

Transporting gear yourself?

- Please be courteous of others. Use the front doors of the convention hall, or the rear dock door. Watch for forklifts.

Shipping gear out?

- Clean up your waste.
- Bring packing materials.
- Have your outbound shipping labels / BOLs ready to go. Adhere them to all outbound parcels. A printer will be available at the registration desk.
- Once all gear has been packaged with labels / BOLs applied, leave the boxes/pallets neatly within your booth. Clearwing will return these items to our Arizona warehouse.
- All outbound parcels must have a pickup scheduled by you. Clearwing is not responsible for scheduling any pickups or freight terminal drop-offs. Please adhere to the shipment pickup timeline within our show schedule.

AMPHITHEATRE SHOWCASE

Audio vendors are given 45 minute timeframe.

- 35 Minutes of Speaking / Demo (A presenter must be on stage).
- 10 Minutes of Q&A

Lighting vendors are given a 30 minute time frame.

- 20 minutes of speaking. (A presenter must be on stage)
- 1 audio track of pre-programmed lighting show.
- 5 Minutes of Q&A
- At the end of all lighting showcases, a 30 minute window will remain. At this time, attendees will be encouraged to interact with you and get a bit more hands on with controlling fixtures.
